

Questions to Ask a Graphic Designer

- How many years have you been in business?
- Can you show me samples of your work (portfolio)?
- Do you charge for the initial consultation? If so, is this amount applied to the total cost if I hire you?
- Do you work with specific industries?
- How does your pricing work—by the hour or by the project?
- When and how will I be billed?
- How many rounds of revisions (corrections) are included in the price?
- How many comps are included in the price?
- Do you charge extra for rush work?
 - Ask them to define what rush work is—24 hrs. / 48 hrs?
- What do I need to provide?
- Do you get the printing quotes for me or do I do that on my own? If I have to call, what do I need to tell the printer?
- If I need a printer can you recommend someone?
- If I need a writer can you recommend someone?
